Dear Mr. MacPherson,

Thank you for your donation to RMHC Toronto. Because of you, seriously ill children and their families have a place to call home that is close to the life-saving treatment they need.

Nearly 50% of those caring for a sick child have unmet support needs. Your gift eases their stress, it reduces their financial burden, and it enables them to be involved in their child's care.

You help families like the Davids from Trinidad and Tobago. They lived at RMHC Toronto for six months last year while their daughter, Mia, was in the NICU and grew strong enough to go home.

"RMHC Toronto supported us during one of the toughest experiences of our lives. Thank you for providing us with the perfect place to call home."

- Aliyah, Mia's mom.

RMHC Toronto supported 5,350 families in our House and our seven in-hospital Family Rooms last year.

Thank you for extending your embrace and keeping these families together when they need each other the most.

Sincerely,

Sally
